

These seminars are designed to give house officers (interns and residents) and graduate students an opportunity to present their research or a specific medical topic (can be based on a research project, review of a disease, treatments etc) in depth. The seminars aim to give an in-depth presentation to current topics pertinent to different fields of veterinary anesthesia.

8.00-8.05am an introduction of the presentations, weekly housekeeping

8.05-8.25am Dr. Krizia Santos Rodriguez: "Can Time Heal a Broken Heart? Spontaneous Closure of Ventricular Septal Defect in a Dog"

8.25-8.30 Q&A for first presentation

8.30 – 8.50 Dr. Valeria Adamchick Galindo: "Eye See Striae: Where Pigments and Tumors meet."

8.50-8.55 Q&A for second presentation

8.55 – 9.00am closing comments, and announcement for next week
