

These seminars are designed to give house officers (interns and residents) and graduate students an opportunity to present their research or a specific medical topic (can be based on a research project, review of a disease, treatments etc) in depth. The seminars aim to give an in-depth presentation to current topics pertinent to different fields of veterinary anesthesia.

8.00-8.05am introduction of the presentations, weekly housekeeping

8.05-8.25am Dr. Mark Kasirye: "The Miracle Case of Merlin"
