

With MedVet invites you to 2 Hours of Continuing Education for the SLVA

Title: "Tackling Feline Lower Urinary Tract Signs" – 1 hour

Presented by Julie Lassere, DVM

Julie Lassere, DVM, is a Professional Consulting Veterinarian for Hill's Pet Nutrition, where she has been part of the team since November 2022. Dr. Lassere earned a Bachelor of Science in Equine Science-1995 Truman State University. She then earned her Doctor of Veterinary Medicine from University of Missouri in 1999. Dr. Lassere is an Associate Veterinarian at Rehm Animal Clinic at Timber Run, Loxley Alabama since August 2006.

Title: "Protein Losing Enteropathies" – 1 Hour

Exploring protein losing enteropathy including specific diseases, diagnostic work-up, and therapy. A couple case examples will be provided as well.

Presented by Alicia Beets, DVM

Alicia Beets, DVM, is a veterinarian who is residency trained in Internal Medicine at MedVet New Orleans, where she has been part of the medical team since 2015.

Dr. Beets attended the University of Miami where she earned a Bachelor of Science degree in Biology and Marine Science, followed by Western University of Health Sciences College of Veterinary Medicine where she earned a Doctor of Veterinary Medicine degree in 2014. Following her graduation from veterinary school, Dr. Beets completed a yearlong internship in small animal medicine and surgery at Southern Arizona Veterinary Specialty and Emergency Center.
