

**January 13, 2026 BRAVMA MEETING**

**Date:** Tuesday, January 13, 2026; sign in: 6:30 pm, lecture: 7:00-9:00 pm

**Location:** LSU School of Veterinary Medicine, Skip Bertman Dr., Baton Rouge, LA 70803

**Title:** "Case-Based Update on Addison's Disease"

**Speaker:** Patty Lathan, VMD, MS, DACVIM

**Description:** Cases will be used to illustrate how to diagnose and treat Addisonian dogs with steroids, and also different presentations of Addison's disease.

After the lecture, attendees should be able to:

Identify a patient with hypoadrenocorticism, both typical and atypical forms.

Recognize different presentations of dogs with hypoadrenocorticism, including typical and atypical Addison's.

Adjust doses of steroids used to treat dogs with hypoadrenocorticism.

---

Patty Lathan, VMD, MS, DACVIM

Professor, Small Animal Internal Medicine

Louisiana State University
